# I. HOW TO ORDER GUIDE

## THROUGH THE SEWP CUSTOM USER PURCHASING AGREEMENT (CUPA)

### A) REQUESTING A QUOTE

To ensure proper ordering, software download, set-up, installation and orientation, it is required that eligible users communicate their requirements to TKCIS for a formal quotation within the scope of this CUPA. This will ensure that the customer receives the pricing that is required. For all questions, quote requests and inquiries, the points of contact for this CUPA are:

## II. ABOUT TKCIS

TKC Integration Services, LLC ("TKCIS") was founded on the tenets of honesty, integrity, hard work, professionalism and providing our clients with best value IT and Telecommunication hardware products, software and solutions.

As a small disadvantaged Alaska Native Corporation (ANC), TKCIS provides a broad spectrum of IT enterprise technology products and solution services to federal government civilian and DoD clientele, through its eight offices and worldwide presence.

TKCIS works closely to establish a winning partnership with government executives, program managers and contracting officers to clarify your hardware and information system requirements to meet your critical mission requirements.

At TKCIS, we direct your efforts with a dedicated program management and integration services team who have significant experience and understanding of the unique needs of both federal government civilian and DoD government agency procurements. From initial sale our program managers provide the right skills and expertise necessary for cost effective delivery of your hardware and software products, including integration services, on-going support, maintenance and training.

TKCIS through our dedicated program management team, provides the in-depth product knowledge and understanding necessary to maximize your organization's requirement support objectives.

TKCIS' parent company, NANA Development Corporation, has over 45 companies with a total of over 7,500 employees and \$1,000,000,000 in annual revenues.

## B) ORDERING

To ensure proper ordering, software download, set-up, installation and orientation, it is required that eligible users communicate their requirements to TKCIS for a formal quotation within the scope of this CUPA. For all questions, quote requests and inquiries, the point of contact for this CUPA are referenced above.

**IMPORTANT NOTE:** This CUPA does not utilize a serial number ordering process. Authorized users are not required to obtain any delivery order serial number prior to placement of the order.

## ORDER FORMAT/FORMS/CONTENT

Since VA contractors as well as VA Federal organizations are authorized users, the ordering organization shall contact one of the TKCIS personnel for a quotation. Orders may be on paper or electronic, purchase/credit card orders which conform to regulations for those programs, and to the NASA SEWP rules at [www.nasa.sewp.gov](http://www.nasa.sewp.gov) may be accepted by TKCIS. All orders must include identification of the ordering activity, its payment instructions, and specifics of all products/prices ordered, which information will be provided on the TKCIS quotation. If the ordering organization must also include a delivery order in its specific format, this may be submitted in addition to the quotation/Sales Agreement, provided that pricing reflected in the delivery order matches that of the pricing of the TKCIS quotation.

## III. ABOUT THE VA CUPA

Both VA Federal and contractor organizations have been users of BLACKBOX and NEC telecommunication products.

### A. TERM OF BPA

The period of performance is March 25, 2010-April 30, 2014, four years. There are no option periods; the period of performance is unitary. The continued availability of this CUPA is contingent upon TKCIS maintenance/renewal of the parent NASA SEWP contract. If the parent contract lapses, this CUPA automatically lapses on the same date.

### B. AUTHORIZED USERS

All VA Federal organizations and VA contractors, including Management and Operating (M&O) contractors, are eligible to place Delivery Orders (NASA SEWP term, replacing 'call' for BPA's) under the CUPA. For contractors, authorization to use this CUPA is required from the contractor's cognizant Contracting Officer, in accordance with FAR Part 51. Use of this CUPA is limited to VA Federal organizations and contractors only; no other Federal agencies may use it. In conformance with VA regulations prohibiting use of VA contractor acquisition systems to circumvent Federal acquisition laws and regulations, VA contractors (including the M&O's) may not utilize this CUPA to acquire assets which are to be used by VA Federal organizations; they may utilize this CUPA for use in performance of the requirements of their VA contracts only.

### C. ONLINE INFORMATION

Online contract and ordering information can be found at [www.tkcis.com/VACUPA](http://www.tkcis.com/VACUPA) under agency contracts.

## IV. ABOUT SEWP

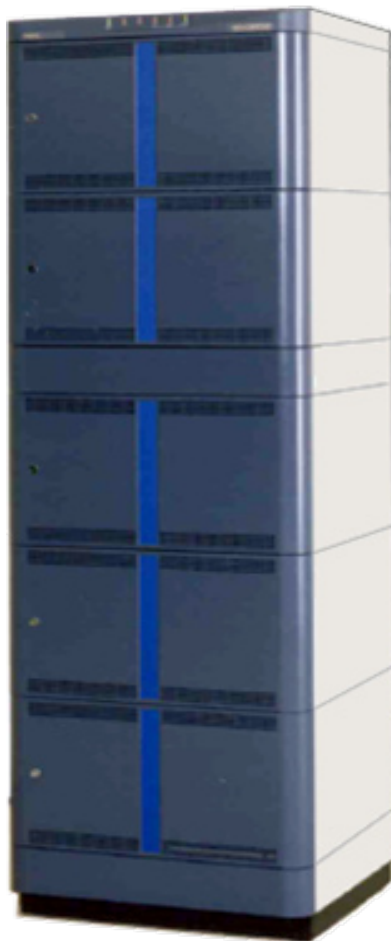

### A. SUPPLEMENTAL TERMS AND CONDITIONS

All delivery orders placed against this CUPA are subject to the terms and conditions of the NASA SEWP contract. In the event of a conflict between the terms of this CUPA and those of the NASA SEWP contract, or any other Federal law or regulation, the terms of the NASA SEWP contract and/or the Federal law or regulation shall prevail. In the event of a conflict between the terms and conditions of this CUPA or the parent NASA SEWP contract and those of any Authorized User, the terms and conditions of this CUPA and its parent contract shall prevail. License terms and conditions applicable to products and/or services acquired under this CUPA are set forth in the License Agreement and NASA SEWP rules at <http://www.nasa.sewp.gov>.
